Notice

The Roman Curia created the concept of legal fictions-- trusts, foundations, and other corporations for good reasons-- however, legal fictions can be misused.

By Maxim of Law, those who create are responsible for their creations. It follows that the Roman Curia is responsible for the proper functioning of all corporations worldwide. As of September 1, 2013, Pope Francis declared all corporations and corporate officers fully liable for their errors and omissions. This means Law Enforcement, Sheriffs, Elected Officials, and Bar Association Members.

Here are the Orders by Pope Francis that ALL "public officials" that are under the jurisdiction of the Vatican City State no longer have Immunity for the crimes they commit, primarily Judges in America which includes the BAR Association. Statement and Evidence of Standing

I am an American standing under the Public Law, and demanding my Constitutional guarantees. Lawful evidence of this said political status is recorded as follows:

I belong to no parish. I am not a priest. I am not a Papal Knight. Based on evidence, I presume Pope Francis, as Global Trust fiduciary, knows that I am a living, breathing man, with feet firmly on Pennsylvania land and soil.

*** FACEBOOK, Inc., MARK ZUCKERBERG, Chief Executive Officer, MARK ZUCKERBERG, an individual, JENNIFER NEWSTEAD, Chief Legal Officer, JENNIFER NEWSTEAD, an individual, MARC L. ANDREESSEN, FACEBOOK, Inc. Board Member, and PETER A. THIEL, FACEBOOK, Inc. Board Member,

On October 13th 2021, the New York Post ran a front page story, titled "Facts about Zuck Bucks: How he helped swing the electorate in 2020" by Mollie Hemingway. Link here: <https://nypost.com/2021/10/13/how-mark-zuckerberg-helped-swing-the-electorate-in-the-2020-election/#>

This said article explains how MARK ZUCKERBERG used backdoor "support" donations to twist the outcomes of the 2020 elections in this country, and not just the Presidential Election — all elections down to the county level, for just \$419 million bucks. A whole country bought and sold for less than half a billion. There are times when we all must admit that some <ahem> criminals are smarter than others, and then look —despite my amazement— at the maze of legal loopholes and creeping corruption that have allowed this to happen in America. Instead of 19th Century Robber Barons at the trough, faceless Facebook, Inc. is an unaccountable,

made-up-out-of-thin-air corporation at the trough — claiming all the same rights, prerogatives, and protections as me a living people, a Living man with Inherited Sovereignty born on Pennsylvania land and soil. Put in plain language, Zuckerberg bought the election via a payola/kickback scheme. Can we the people punish Zuckerberg and his Board of Directors and everyone else responsible? Possibly. Perhaps later by this man in another time and place.

Judgment Requested
